Brethren,

We are making progress but there is still a lot to do. I am concerned about the participation of our brethren at the meetings as March's first meeting had ONE sideliner and the required Officers. It is difficult to work for you if there is no input on your wishes so, please come out, eat and help move us forward. There will be an EA degree upcoming for 2 candidates so keep that in mind for the next month. April brings a cornerstone ceremony with the Grand Master of Masons MW.: Glen B. Bishop at 12:15pm on April 12th at Viera Elementary. Please come see this historic event. I am adding 2 pages to the ONLINE Trestle Board which can be found on our lodge website. You will NOT get this in the copy Our Bro. Secretary mails out. The best way to get the most current information is to participate and come to the meetings rather than to wait to hear it later, if you want the extra page then visit: <https://pcatchpole15.wixsite.com/brevard113> Please check it out you may be mentioned in there. Thats all for now, Until Next time,

Fraternally,  
Albert Barone, W.M.

**From the West**

Brethren,

Hope everyone had a great month of March, including Easter Sunday! Now into April, the tax month. It's great to get a return, not so great if one must pay, but worst of all—the paperwork. After 200+ years you'd think we might have a clearer and simpler approach! But April has some great things about it, too. An opportunity to clear our Lodge building of some clutter, fix up some fixtures and amenities, and prettify things a bit. Kudos to JW Joyner for his leadership in all of this! Other fun things like the Inter-Lodge Chili Cook-off on April 27th, and an upcoming EA Degree for three new brothers is also outstanding! What else could be better? You tell us! I welcome any and all suggestions on improving our facility, our meetings, our events—whatever! If you have an idea, I promise we want to hear it. My number is on the Trestle Board cover, or you can drop a line to Brother Secretary to relay to me if your idea is better written than voiced. Brevard #113 exists because of its members, and it must address their needs. That is all.

Fraternally,  
Travis Elmore, SW

Brethren

We are making improvements around the lodge. New water valves for the lodge room air conditioners were installed and we have seen a reduction in our monthly water bill. A wireless extender was placed in the dining room to boost the wireless internet signal. We have more on our list of improvements to organize and declutter the lodge. To tackle this list of improvements, our Spring Lodge Clean-up is scheduled for Saturday, April 20 from 11 AM to 1 PM. The lodge will provide lunch (hot dogs, chips, and drinks). All work and no play, makes for a dull Master Mason. For fun and fellowship, join your lodge Chill Cooking Team. We will be participating in this year's Masters and Wardens Chill Cook-off on April 27 held at Harbor City Lodge (1715 Avocado Ave, Melbourne FL 32935). Come out and support your lodge cooking team from 1-4PM. Tickets are only \$5 to taste and vote. Speaking of food, the June barbecue planning is going well. We set the date for Saturday, June 29. A couple of locations are being considered. The location, cost, and time for the barbecue will be announced in the May Trestle Board. We have also drafted up an Astronaut Degree for the barbecue. I cannot put on the barbecue or this fun degree by myself and I will need help from the Craft. Please let me know how you can help and make this fundraiser a success for the lodge.

Fraternally,  
James "JJ" Joyner Sr, J.W.

**From the Secretary's Office**

Brethren,

Brothers, 12 of you still need to pay your dues. Also if you belong to an appendant body please let me know so I can put it in your record. Email or call my cell phone. Rarely do I not answer, if I don't, please leave a message. I also sent an email to all brothers from our Master. If you didn't receive it, you may also want to validate your address with me. I sent out a bright paper for changes with the dues reminders. Please fill it out and return it. I gave everyone a peel and stick return address label. Please use it! Thanks to all!!

Fraternally,  
Jerome Smith HPM, Secretary
