From the East
Brethren,

Welcome to March, brothers. March already? So much to do and only three quarters of a year left to do it? I need your help! We did fine on the working and official visits of RW DDGM Matt Green, after a busy practice session or two, assisted by PMs Jamie Howell and Al Barone—thank you!

Not going as well as I'd like is the contact efforts to all members by PM Billy Stuart. I asked him to contact all the brothers and get feedback on what you might expect and/or desire from your officers and your Lodge. He's trying, but please answer your phones and talk to him, even if you have nothing new to offer. Regardless of this effort, I would personally be honored to see members return to the Lodge and participate as actively as they are able. If you need some refresher, we can do that! A "Rusty Nail" refresher weekend or evening will be set up to help, but please don't wait for that to come into your Lodge.

We are looking at a few potential social and fundraising events during the course of the year, and your Marshall and Wardens are busy looking at options. Car Show? St John's Day Dinner? BBQ at the Park? All on the table. Others? A Chili Contest? Gun Raffle? Again, on the table to look at. Stay tuned! Return to the Lodge in 2025!

Fraternally,

Travis Elmore, W.M.

From the West
Brethren,

The Charity Committee recommended we rotate once a quarter donating to various organizations in Brevard County. This first quarter we selected Aging Matters of Brevard as our charity. Funds collected at the end of each stated communication from the hat of fraternal assistance will be donated to this quarter's charity. So please donate graciously to the hat. As our Worshipful Master wrote, we are considering having a St. John's Day Dinner in June. Details will be forthcoming in April. Also in April, we will need to start practice for an Entered Apprentice Degree.

Fraternally,

James J. Joyner, S.W.

From the South

Brethren,

March is here so quickly. We appear to have weathered the cold and resolved the challenges with the HVAC system for now, thanks to the efforts of Brother Gary Fannin. Plans continue for building rehabilitation. The outbuilding or shed needs repair or demolition. I am researching the most cost-effective method and will welcome any suggestions or advice. New locks have been installed on the front and north door for increased security.

Fraternally,

Jamie Carman, J.W.

From the Secretary's Office

Brethren,

INFO for you! In the first section of our Trestleboard we have a QR code, it will take you to our web site, you can see what we have been doing in the Lodge. Here is how to use it, with your cell phone, simply turn on your camera, point at the QR code and when your camera brings it into focus you will get a white bar on your screen with the web address, Simply touch the white bar with your finger and it will bring up our website. We are intending on having more content there in the future. You can also access our Facebook page on our website.
