From the East

Brethren,

As this is the December Trestle Board it is also my last, On the 27th my year is over and John's will start.

I want to take this opportunity to "THANK" my Officers and Members for the support you have shown me throughout the year, I want to send a big "Thank You" to Jerome Smith our secretary, who works tirelessly to keep the Lodge running smooth and staying on top of everything, and I mean everything, A Lodge is only as good as it's Secretary and we have a fantastic Lodge. Let us come together and give John the same support you have shown me so he will have a great year.

We added new members this year and I look forward to adding more and returning to instructing our new Brothers. There are still many things needing to be completed and repaired and as the funds come available I'm sure we will get to them. 2023 will be an exciting year so come out and support the Lodge and its Officers!

Masters and Wardens will be at Gateway Lodge # 384, 2995 Temple Lane. Mims, Florida on December the 3rd, breakfast at 8:00 am and the meeting starts at 9:00 am.

OPEN BOOKS on the 7th of December at Harbor City Lodge # 318 F&AM from 6:00 to 9:00 pm, Ron will be going over the Installation of Officers and Opening and Closing of the Funeral Lodge.

Again Brothers, Thank you for my year and your support!

Fraternally,
Billy Stuart, W.M.

From the West

Brethren,

We're winding down the 2022 year and looking forward to a great 2023. We'll have our Election of Officers at our first stated meeting on December 6th. Your vote is important so please try to attend and participate in our elections. Our second meeting of December will be cancelled so we can hold a practice and tidy up the lodge. If you would, please come on by, we could use your assistance in both practice and cleaning up the lodge for Installations. Installations of the 2023 Officers will be on Tuesday, December 27th at 7:30 pm. All Officers should be at the Lodge no later than 6:45 pm to close the Funeral Lodge for 2022 and final setup for installation.

I would like to thank our Worshipful Master Billy Stuart for a great year and the honor of serving as his Senior Warden.

Happy Holidays and Cheers to you and your family, May God Bless and bring on 2023!

Fraternally,

John Arel, SW

From the South

Brethren,

I want to take this final trestle board to thank you for having faith in me to serve as your Junior Warden. It has been a magnificent year for our lodge as we welcome new brethren into lodge and with them new life. I want to thank our Worshipful Master for his amazing leadership through this year. Looking to the new year I expect to have the same Caliber of leader in our incoming worshipful Master and look forward to his vision for the lodge. Thank you to all the brothers who have contributed to the success of the lodge this year. Your attendance and contributions no matter what size they are make a difference so please keep up the good work to all.

Fraternally,
Al Barone, J.W.

From the Secretary's Office

Brethren,

I want to think everyone for all the support given to the Lodge this year. I believe it to be a crying shame we don't have more Brothers participate in Lodge. We could sure use the assistance for committees and general help through out the year. Please Brothers, it is your Lodge! Come on out and Support your Brethren.

The dues reminders have all been mailed. Please send them in by the 27th of December. I included an address label so they would come to my home and be processed that day. I only check the PO Box twice a week. I would like to close it and save us \$120. The second business meeting the 20th is cancelled. We will have a clean up night and practice for Officer Installation. Everyone's help will be appreciated.

Fraternally,
Jerome Smith HPM, Secretary
